COP 4331 Section 003 – Spring 2026
Group 7
Meeting Notes

Date: January 16, 2026
Location: Classroom and Library

- Classroom Meeting
    1. Formed group and assigned roles for Small Project. Assigned roles were as follows:
        - Phillip Lintereur   Front-End
        - Andrew Kelton   Front-End
        - Ernesto (Adam) Lugo   API
        - Leandro (Leo) Vivares   Database
        - JC Gallo   API
        - Kyle Martin   Project Manager
    2. Adam set up the group's Discord server for the Small Project.
- Library Meeting
    1. Adam set up the group's GitHub repository for the Small Project.
    2. Meeting schedule for project:
        - Meet each week after the latest lab. If no labs, then meet after class.
        - Additional meetings to be scheduled as needed to complete the project (e.g. time to practice the presentation).
    3. Discussed project schedule. Phillip Lintereur will create a tentative schedule this weekend.
    4. Action Items:
        - (Phillip Lintereur) Develop a tentative schedule for Small Project 1 and distribute to the group by end of this weekend.
        - (Everyone) Start the "Colors Project" this week to get familiar with the three phases of the project (i.e. front-end/API/database).
